$\mathbf{A}$		Control, definition of	17
11		Control structure, definition of	
Access to USGS Water Data	9	Cooperation	
Acid neutralizing capacity, definition of		Cubic foot, per second, definition of	
Acre-foot, definition of	15	per second-day, definition of	
Ada County, ground-water-level hydrographs in	41	per second per square mile, definition of	
quality of ground water in	265	quality of ground water in	
Adams County, ground-water-level hydrographs in		quanty of ground water in	200
quality of ground water in		D	
Adenosine triphosphate, definition of		D	
Algal growth potential, definition of		~	
Alkalinity, definition of		Daily mean suspended sediment concentration, definition of	
Annual Runoff, definition of		Daily record station, definition of	17
Annual 7-day minimum, definition of		Data collection and computation of	10
Arciforial substants definition of		ground-water level records	
Artificial substrate, definition of		ground-water-quality records	
Aspect		Data logger, definition of	
Aspect	13	Data presentation of	17
D		ground-water level records	10
В		ground-water-quality records	
		Datum, definition of	
Bacteria, definition of		Definition of terms	
Bankfull stage, definition of		Diatoms, definition of	
Base discharge (for peak discharge), definition of		Diel, definition of	
Base flow, definition of		Discharge, definition of	
Bannock County, ground-water-level hydrographs in		instantaneous, definition of	20
		mean, definition of	21
Bear Lake County, ground-water-level hydrographs in		total, definition of	27
quality of ground water in		total sediment, definition of	
discharge, definition of		Dissolved, definition of	
Benawah County, quality of ground water in		Dissolved oxygen, definition of	
Bed material, definition of		Dissolved solids concentration, definition of	
Benthic invertebrates, definition of		Dissolved trace-element concentrations	
Bingham County, ground-water-level hydrographs in		Diversity index, definition of	
quality of ground water in		Drainage area, definition of	
Biochemical oxygen demand, definition of		Drainage basin, definition of	
Biomass, definition of		Dry mass, definition of	
	1.	Dry weight, definition of	18
pigment ratio, definition of	16		
pigment ratio, definition of		E	
Blaine County, ground-water-level hydrographs in	76 270	E
